- ☒ Additional Comments

Applicant(s) have the following additional comments:

The cited JP and WO references came to Applicant's attention in an Office Action in a counterpart Japanese patent application. US patent nos. 5,201,712, 5,101,395, 6,160,434, 6,535,039 and 6,414,528 are counterparts, respectively to JP 5-7135, JP 5-90918, JP 2000-36729, JP 2002-164770 and WO 00/65717.

One reference identified in the Japanese Office Action, JP 10-163828, has a counterpart that already is of record, US 6,151,150, and so that reference has not been cited due to cumulativeness.

It is respectfully requested that the above information be considered by the Examiner and that an initialed copy of the accompanying Information Disclosure Statement by Applicant form (PTO/SB/08A and/or B, PTO-1449, or equivalent) be returned to the undersigned indicating that such information has been considered.

Other than any fees mentioned above, no fees are believed to be due in connection with this Information Disclosure Statement. Nevertheless, the Commissioner is authorized to charge any fees which are deemed to be now or hereafter due in connection with this paper to Deposit Account No. 50-4019.

Favorable consideration and prompt allowance of this application is respectfully requested. In the event that there are any questions, or should additional information be required, please contact Applicant(s) attorney at the number listed below.

Respectfully submitted,
